Product Summary

Fed by the River Jordan, the Dead Sea's mineral rich salts and muds have unique therapeutic value, acting to deeply cleanse and tone while restoring the skin's natural PH. This unique soap combines genuine Dead Sea mud—thousands of years in the making— with a pure vegetable base to provide a truly natural cleansing experience. Put simply—The Dead Sea is really old, but using this bar of soap will help you and your skin look and feel younger. You just won't believe it until you try it. Made in Jordan.
